

Dutch Act, finally we can see the end result of Pierre Trudeau's multiculturalism nightmare

Some thoughts for our Liberal Government and their failing move to multiculturalism and open door policy.

Go Dutch . . . But Why Wait Until 2018?

The Netherlands, where six per cent of the population is now Muslim, is scrapping multiculturalism.

The Dutch government says it will abandon the long-standing model of multiculturalism that has encouraged Muslim immigrants to create a parallel society within the Netherlands .

A new integration bill, which Dutch Interior Minister Piet Hein Donner presented to parliament on June 16, reads: *"The government shares the social dissatisfaction over the multicultural society model and plans to shift priority to the values of the Dutch people"*.

In the new integration system, the values of the Dutch society play a central role.

With this change, the government steps away from the model of a multicultural society.

The letter continues: *"A more obligatory integration is justified because the government also demands that from its own citizens."*

It is necessary because otherwise the society gradually grows apart and eventually no one feels at home anymore in the Netherlands. The new integration policy will place more demands on immigrants. For example, immigrants will be required to learn the Dutch language, and the government will take a tougher approach to immigrants who ignore Dutch values or disobey Dutch law.

The government will also stop offering special subsidies for Muslim immigrants because, according to Donner; *"It is not the government's job to integrate immigrants."* (How bloody true).

The government will introduce new legislation that outlaws forced marriages and will also impose tougher measures against Muslim immigrants who lower their chances of employment by the way they dress.

More specifically, the government imposed a ban on face-covering, Islamic burqas as of January 1.

Holland has done that whole liberal thing, and realized - maybe too late - **that creating a nation of tribes, will kill the nation itself.**

The future of Australia, the UK, USA and Canada may well be read here.

READERS NOTE: Muslim immigrants leave their countries of birth because of civil and political unrest .. ."CREATED BY THE VERY NATURE OF THEIR CULTURE."

Countries like Holland, Canada, USA the UK and Australia have an established way of life that actually works, so why embrace the unworkable? If Muslims do not wish to accept another culture, the answer is simple; **"STAY WHERE YOU ARE!!"**

This gives a whole new meaning to the term, 'Dutch Courage' ... Unfortunately Australian, UK, USA and Canadian politicians don't have the ... guts to do the same. There's a whole lot of truth here!!!!
